THE CASE OF THE TOXIC TREASURE

MYSTERY AND MISSION

THE CASE OF THE TOXIC TREASURE

THE MYSTERY

Dr. Sanar is really worried. This week, several people in Pickledilly Town have come to his health clinic for care. They are very sick but he can't figure out why! What's even more strange...down at the Happy Tails Animal Clinic, Dr. Acres ALSO has several sick patients. Most of them are wild animals.

What could be making everyone so sick?

YOUR MISSION

Find WHO or WHAT is making the good people and animals of Pickledilly Town so very sick and put a stop to this mysterious menace!

1

INTERVIEW WITH: Miss Page the Librarian
LOCATION: Pickledilly Library

"A **BOOK** from the Ancient Book Section of the library has been stolen.

Please help me find who took it!"

2

CRUMB

There's a **CRUMB** on the library shelf where the missing book was...

Detective, put this clue in your evidence baa-g so the lab can test it!

3

LAB RESULTS

"Your Lab Results are baa-ck! Seems like that was a tough nut to crack..."

The crumb from the library was a piece of **HAZELNUT**. How odd!

Who was eating hazelnuts in the library?

4

SICK ANIMALS

INTERVIEW WITH: Dr. Acres the Veterinarian
LOCATION: Happy Trails Animal Clinic

"I noticed all of the **SICK ANIMALS** that came to my clinic had wet fur on their front paws."

Take a sample from their paws and send it to the Tiny Mysteries Lab...
